

Youth Financial Literacy Workshops

We are proud to announce that Resolve Credit & Financial Counselling Services has received funding from the Community Foundation for Kingston and Area to host a series of Youth Financial Literacy workshops over the 2017 year.

The objective of the workshops is to promote and build financial literacy skills among Kingston and Area youth. Workshops will build participant awareness of, and confidence in, budgeting, managing debt, planning for large purchases, and living within income means. We want to see our youth get off to the best start they can by helping them build practical life skills in money management!
